

Accompagnement international *YOUR EXTERNAL EXPORT OFFICE*

Thanks to our partners BPI France and Business France, numerous international development and export support solutions are accessible. The French state helps you establish yourself internationally thanks to targeted aid.

Informing you and supporting you are the key words and the heart of our profession!

OFFER 3

We are your outsourced sales department integrated into your structure.

Based on a long-term approach, 2 to 3 years (building an export network takes time), we fight to find you commercial opportunities through identified and paced actions on the ground.
